

Carpet Shampoo CARPET SHAMPOO

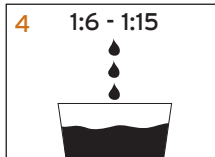

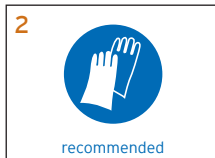

Carpet Shampoo is an effectual carpet cleaner for periodical cleaning. It removes dirt and soil on carpets. Due to its sophisticated combination of high foaming ingredients, **Carpet Shampoo** is gentle to the carpet fibres which enables regular maintenance as well as periodical cleaning. The product is easy to handle and provides a pleasant fragrance. Its foam, either generated by a foam generator or by using the soft cleaning brush of the machine, is stable to minimize carpet moisturing.

Application area: For all colourfast and water resistant carpets.

- **Performance:** Deep cleaning of carpets. Outstanding foaming features.
- **Efficiency:** Excellent protection against re-soiling.

USE INSTRUCTIONS

- 1 Check hygiene plan and product label for detailed use information.
- 2 Wear suitable protective clothing when handling the product.
- 3 Switch off floor heating. Remove furniture. Vacuum the carpet thoroughly. Remove stains if necessary.
- 4 Fill the solution diluted 1:6 to 1:15 into the tank of a single disc machine equipped with a foam generator and a soft shampooing brush.
- 5 Shampoo the floor with the machine and remove the soiled foam immediately using a wet vacuum. Use Ecolab foam stop to cut foam in the vacuum reservoir. Don't let the foam dry up completely. Work the floor systematical. Allow carpet to air dry afterwards.
- 6 Vacuum carpet thoroughly after drying. Brush carpet pile in the direction of the lay. Return furniture.

SPECIAL NOTES / INFORMATION

Check carpet for colour fastness prior to application. Not for use on needle felt. Check carpet underlay for water resistance.
