

White Cotton/Air

ECOLAB®

ODOUR COUNTERACTANT

Highly effective, long-lasting odour counteractant and fabric odour neutraliser to leave a clean and positive impression.

Performance

- High-concentrated products for high-end performance
- Significantly improves room air quality to leave a clean impression
- 2 fresh scents available - White Cotton and Air

Efficiency

- Also suitable to refresh textiles such as sofas and curtains
- Long lasting effect against odours

Safety

- Colour-coded system to ensure the use of the right product for the right cleaning task

Sustainability

- Significant reduction of packaging waste of minimum 70% vs traditional pack sizes

Use Instructions

1. Check hygiene plan, product label and safety information for detailed use information.
2. Wear suitable protective clothing when handling the concentrate pouch.
3. On textiles spray at a distance of 30 cm.
4. According to the size of the room, spray once or twice to create a pleasant scent.

RECOMMENDATION

Your Ecolab specialist will install and adjust the dispensing system to your hygiene requirements for optimum results.

Recommended use-concentration: 3 - 8 % depending on odour level and water hardness.

Do not mix with any other product! Wear protective gloves and safety glasses when you exchange the empty pouch with a new one.

SAFETY

For professional use only. For further information and safety instructions see product label and safety data sheet.

STORAGE CONDITIONS

Store between 0 °C to 40 °C in original closed container only.
