

Renolit Clean S ECO-LABELLED KITCHEN MULTI- SURFACE CLEANER

Renolit Clean S is a multi-purpose kitchen cleaner for daily cleaning. Based on a special combination of surfactants, it quickly removes grease and persistent dirt. The product can be used on all types of water resistant surfaces such as work surfaces, tables, chairs e.g. in restaurants and canteens. For increased user safety, **Renolit Clean S** is colour-coded. **Renolit Clean S** is part of a product range, which is certified by EU Ecolabel as an ecologically approved product.

Application area: For all water resistant surfaces in the kitchen.

- **Clean** - Proven cleaning performance with maximum environmental friendliness.
- **Safe** - Material friendly formulation allows use on most water resistant hard surfaces.
- **Efficient** - Effective even at low concentrations.

USE INSTRUCTIONS

- 1 Check product label and hygiene plan for detailed use information.
- 2 Dilute 50 - 100 ml of **Renolit Clean S** with 10 L water. Use undiluted on stubborn or persistent dirt.
- 3 Wipe surface.
- 4 Rinse thoroughly with clean water afterwards.

SPECIAL NOTES / INFORMATION

Only a small quantity of the product is needed compared to normal products. Proper dosage saves costs and minimizes environmental impacts. For more information visit the EU eco-label web-site: <http://ecolabel.eu>.

Test material compatibility in a small inconspicuous area before use.

For professional use only!

Safety Data Sheet for professional users available on request.
